CATAMOUNT
1984

Volume 52

Western Carolina University

Cullowhee, North Carolina

Editor:
Lynn Pollard

If I had only forgotten
future greatness
and looked at the green things
and the buildings
and reached out
to those around me
and smelled the air
and ignored the forms
and the self-styled
obligations
and listened to
the rain on the roof.
And it's not too late.

Isn't it strange
That princes and kings,
And clowns that caper
In sawdust rings
And common people
Like you and me
Are builders for eternity?

Each is given a bag of tools
A shapeless mass,
A book of rules:
And each must make,
Ere life is flown,
A stumbling-block
Or a stepping stone.

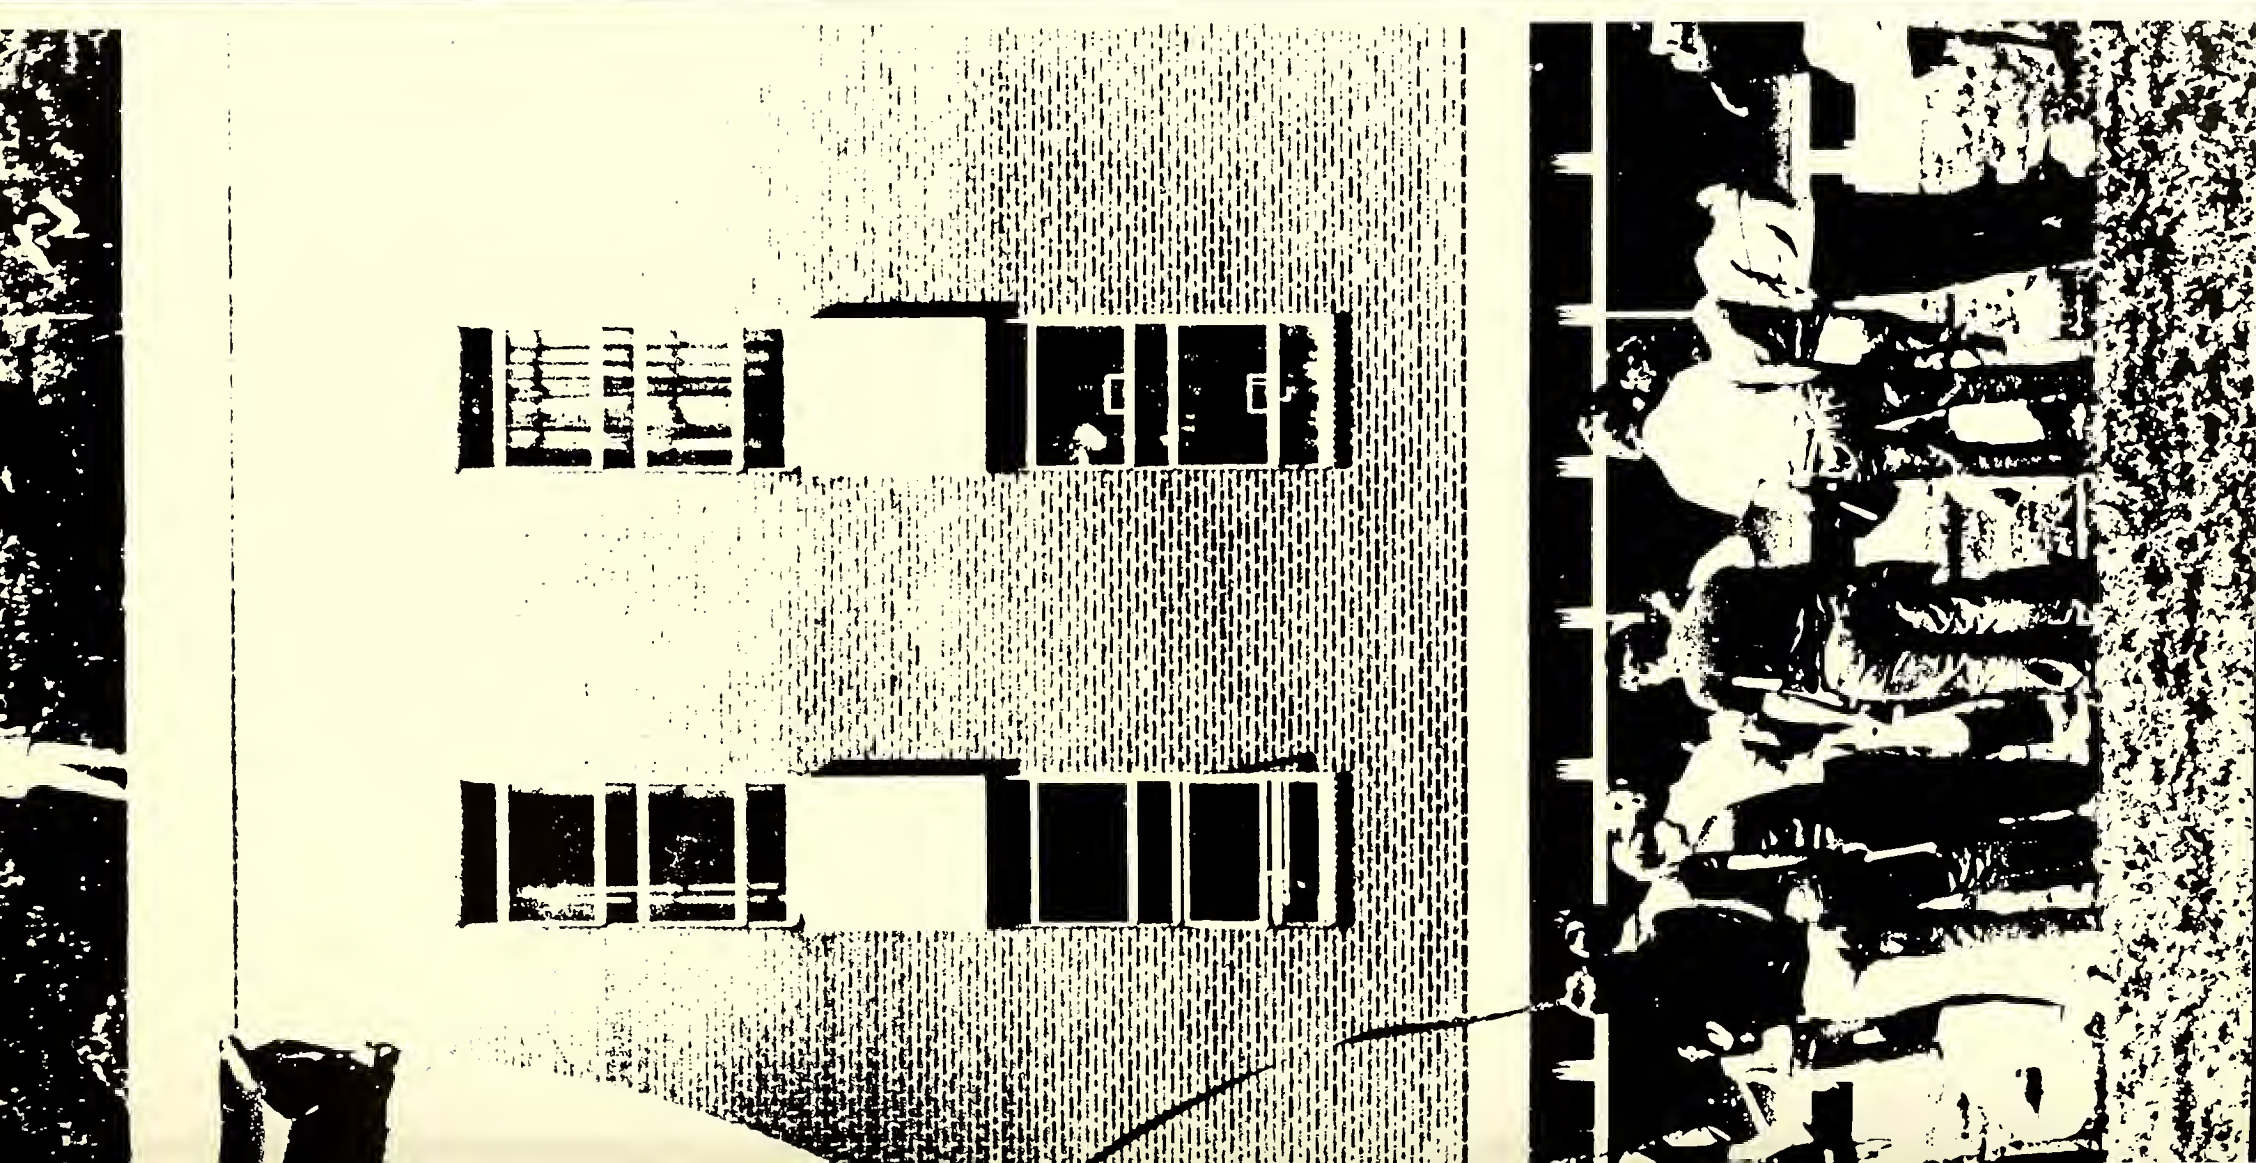
Dedication

This year the Catamount Yearbook is dedicated to the ten years Chancellor H. F. Robinson has spent making Western Carolina University a better place for learning and growing. In the time Chancellor Robinson has spent here at Western, the reputation of the University has been greatly improved. With the additions of such buildings as the Book Store, Regional Activity Center, Hunter Library, and the new Administration Building, Western's monetary value has increased dramatically. Chancellor Robinson's support of Mountain Heritage Day has helped to make it the success it is and bring W.C.U. national attention. Western's expanded and improved academic program, international programs classes in Asheville and Cherokee, and the Co-op program have brought new respect for W.C.U. as an institution of higher learning. Chancellor Robinson's replacement will certainly have some big shoes to fill if he is to equal the mark Chancellor Robinson has made on the campus and surrounding areas of W.C.U. Chancellor Robinson, we thank you for the time you have shared with us and for the many benefits we will enjoy for many years to come as a result of your hard work and dedication to the students of Western Carolina University.

EVENTS

EVENTS



Homecoming

Homecoming week is always an exciting time at Western Carolina. The week is filled with activities such as a bonfire, pep rally, a Homecoming parade, voting for Homecoming Queen, and the climax of the week is the Homecoming game in E.J. Whitmire stadium. The game is attended by students, parents, faculty members, alumni, and local Cat fans.

Mountain Heritage Day has become an annual event that brings all of Western North Carolina together for a day filled with tobacco-spitting and log-cutting contests. The day is not complete without some old-fashioned clogging, Bluegrass music, and displays of art and works of local craftsmen. An article in Southern Living magazine helped to draw a larger crowd than ever before.

Mountain Heritage Day

Lambda Chi Alpha Raft Race

The water was cold and so was the beer when Lambda Chi Alpha was host to the annual Lambda Chi Alpha Raft Race. There was a lot of good clean fun in the water of the Tuckaseigee that day. The only things needed were a handmade raft and a crazy group of people to ride it down the river; both of which were abundant. As usual the race was a big success and both the participants and spectators had a day to remember.

ΣX

Lambda Chi Alpha Kidnapping

Dodson Cafeteria was filled nearly to capacity on December 3 in anticipation of the second annual Lambda Chi Alpha sorority kidnapping. Gangsters from the fraternity took control of the cafeteria and proceeded to abduct the sorority presidents. The ladies were rescued later that night by sorority members who paid ransoms of food and clothing for the safe return of their presidents. The event was great fun for all involved, and also served to help needy families in the Jackson County area.

Two games into the season, no one, save a few whose blood was the deepest of purple, would dream of the success that Western Carolina University would experience in the following three months. The greatest of all football seasons at WCU had an ominous beginning as the Catamounts were somewhat less than impressive in losses to Clemson and Wake Forest. The great Catamount in the sky took matters into his own hands in the third game of the season as Western made the greatest comeback in the school's 50 year history by scoring 11 points in the closing two minutes to defeat East Tennessee State and that started the Catamounts on a giddy ride for 12 unbeaten weekends.

Following an 8-2-1 regular season that saw the Catamounts play before a record number of fans at home and on the road and finish 9th in the NCAA 1AA poll, they were selected as an at-large participant in the 1AA championship playoff. Comeback victories over Colgate, Holy Cross, and Furman assured the Cats of the longest season (15 games) in the history of the college and sent them into the championship game against Southern Illinois. The Catamounts following the Furman for the semi-final game and to Charleston for the championship game, better than 5000 rabid fans each week, was unparalled as was the exposure as CBS-TV broadcast the semi-final game regionally and ABC-TV aired the championship game nationally. The bubble burst in Charleston when SIU capitalized on mistakes to win the 1AA title, but the loss did not dull the luster of the greatest of all WCU football seasons. The pre-season theme was Go For Gold and the Catamounts went for it.

Men's Basketball

The Catamount Basketball team overcame a season filled with injuries to finish third in the conference. The really bright spot of the season was that the Cats went undefeated at home, in Reid Gym, with a perfect 13-0 record. That record included two exciting overtime victories over Marshall, the league champion, and UT-Chattanooga, conference runner-up. The leadership of seniors Pat Sharp, Quentin Moore, Mike MacFarlane, and Bruce Hawkins was a plus for the team. The young players were called on to play a major role when injuries sidelined Bruce Hawkins and Cedric Cokely. The Cats were forced to play some games with only eight players. Despite adversity, the Cats had an outstanding season.

Cross Country

Western Carolina University's cross country team placed eighth this year in the North Carolina Collegiate Championships. NC State was the winner, with Wake Forest and Appalachian State placing second and third, respectively. The Cats finished ahead of Davidson, UNC Charlotte, Campbell, Pambroke State, UNC-Wilmington, East Carolina, North Carolina Central, and Shaw University.

WCU placed Robert Baker and Phil Roberts on the All-State Squad, as each finished in the top 15 in the state championship meet.

In the Southern Conference Cross Country championships, Western Carolina placed seventh, finishing ahead of Davidson and UT-Chattanooga. For the first time since Western has competed in the championships, a Catamount runner gained All-Conference honors. Robert Baker was named to the All-Conference team as he finished 10th overall.

Two Catamount runners were able to turn in times to qualify for the NCAA District III Regionals cross country meet. Robert Baker and Phil Roberts represented Western Carolina, with Baker finishing 23rd and Roberts finishing 32nd.

STUDENT SECTION
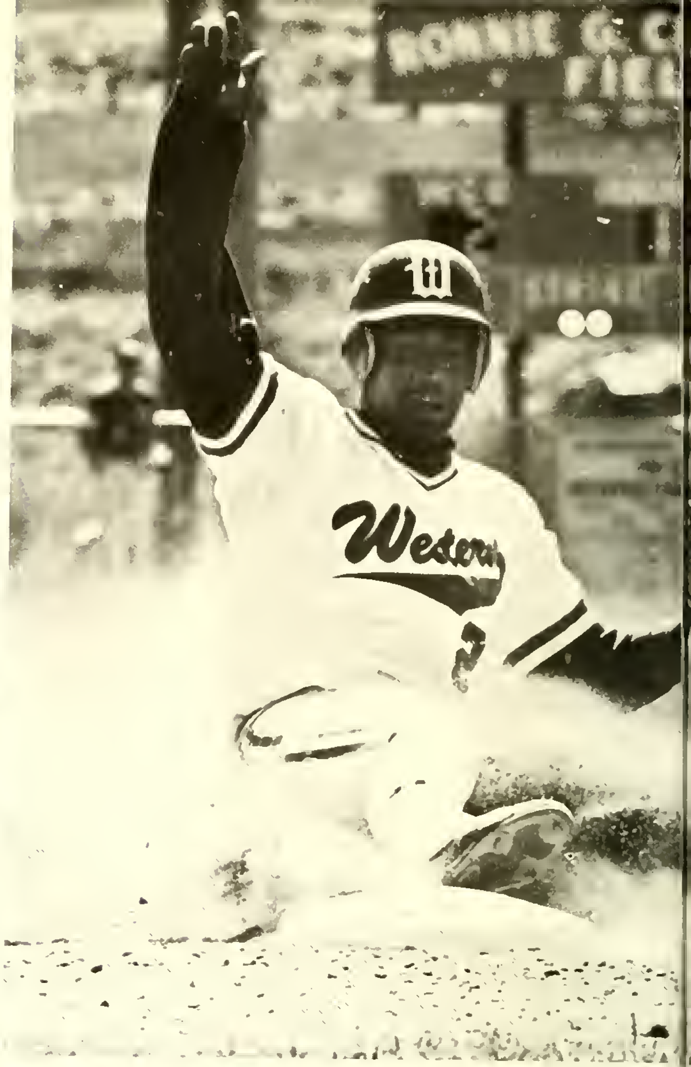
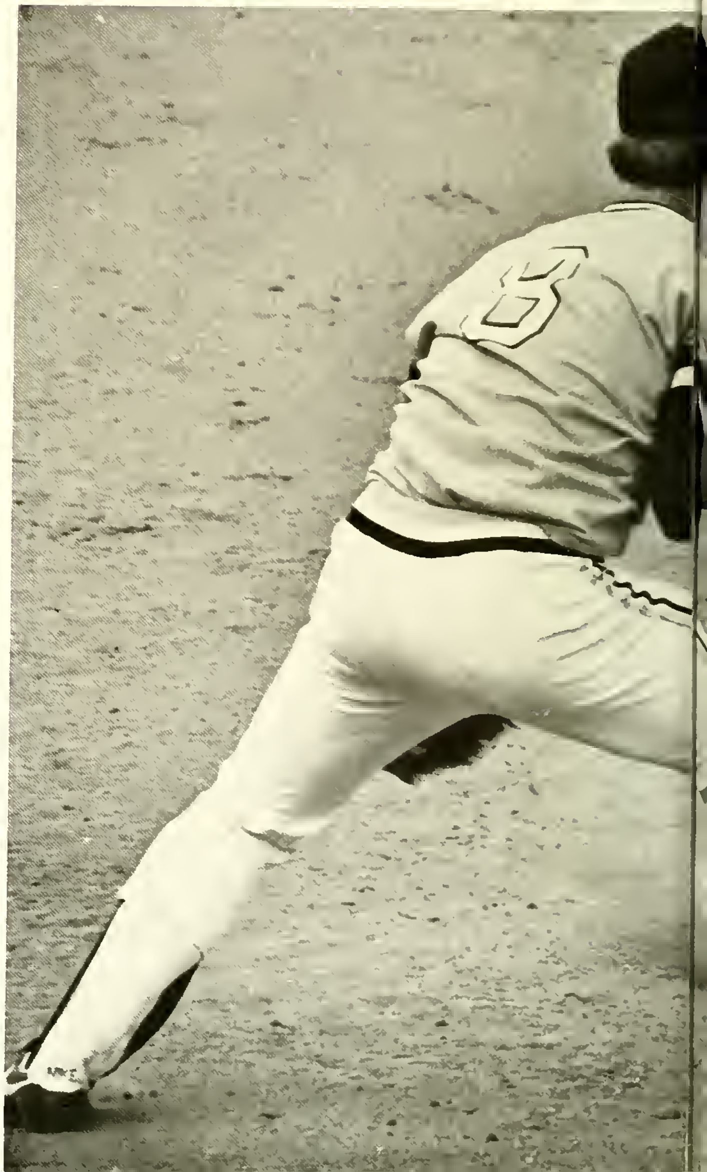
UNCA





Baseball

The '84 Cats finished 37-20 and achieved national ranking in Collegiate Baseball's poll for the first time in the school's history when they were rated 28th in a mid-April poll. That was the same week WCU clinched first place in the conference's south division and, with that title, the host's role for the first Southern Conference baseball tournament in 14 years.

The '84 team broke or tied 19 WCU season and career records.

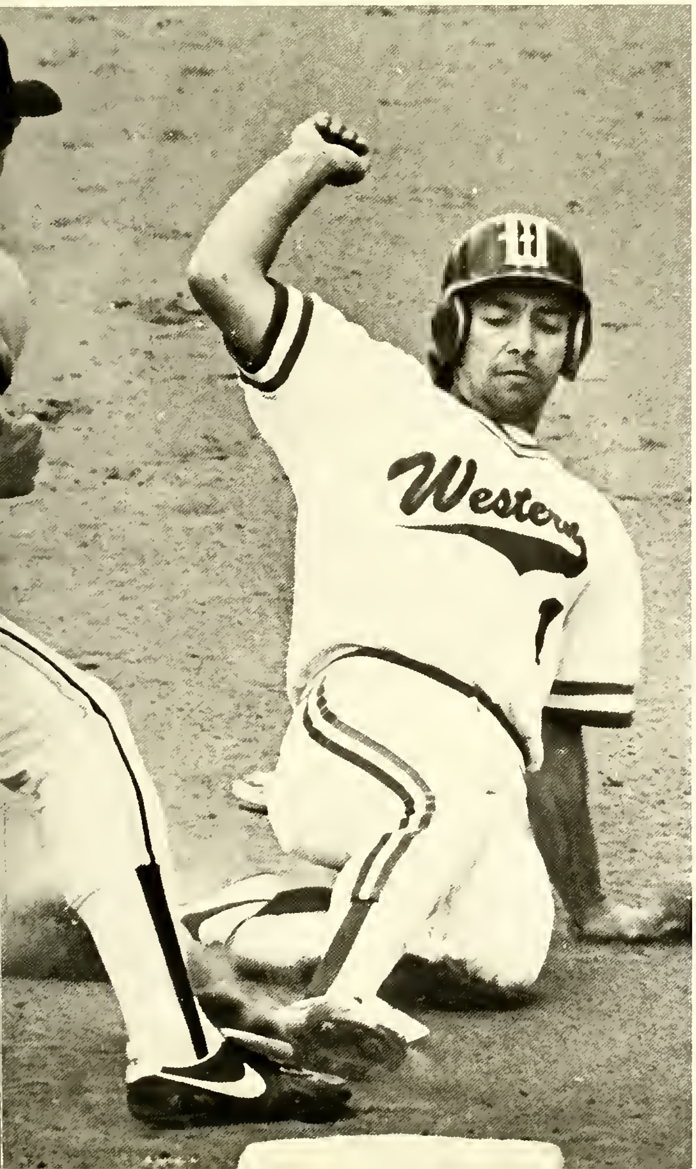
The '84 team set new school records for games (57), wins (37), hits (515), runs (358) and road wins (22).

Individually, Charlie Fonville established seven new records and tied another. The senior first baseman from Jacksonville, N.C. set new season records for at bats (177); rbi (51), total bases (116), games played (54), fielding chances (455) and putouts (429) and tied the record for hits (64). He also set a career record for most games played (154). During the season, he batted .362 with 12 home runs, 16 doubles and 51 rbi.

Freshman Fred Hailey, the team's leading hitter with a .395 average, set school records for singles (46) in a season and triples (6) in a season.

Scott Gay's 10-0 record tied four records. The sophomore righthander tied Jerry Reed's 1977 season records for best record, most consecutive wins and best winning percentage. He also tied the career record for consecutive wins.

Leggett, who has guided WCU to a 62-40 record in two seasons, loses only five played Fonville, catcher Reggie McCraw, reserve outfielder Alex Barnwell and pitchers Ken Harris and Jim Geiger. The future is bright with all but one of the top 10 hitters returning along with 10 pitchers off the past season's staff.



Western

Softball

University

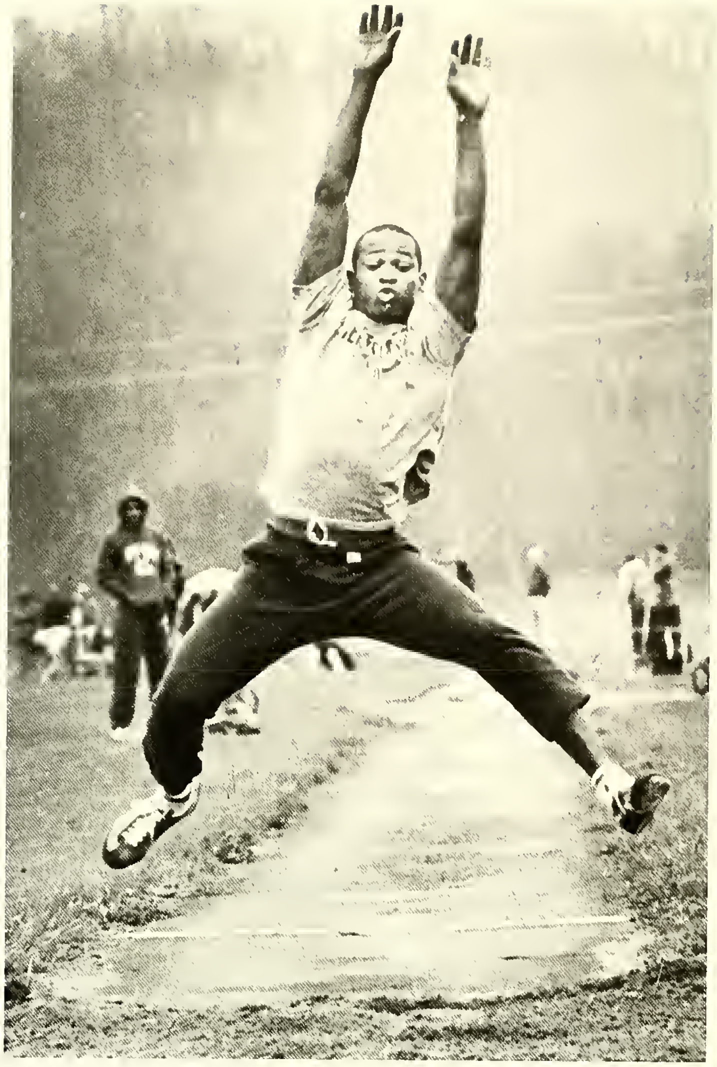
The Lady Cats finished up an outstanding season by winning championship title at the North Carolina State Invitational Tournament. This was the third tournament win for the Lady Cats as they also won the Methodist College Tournament and the UNC Charlotte Invitational. They also placed third in their first outing of the year at Jacksonville University.

The Lady Cats finished their season with a sparkling 28-6 record, including a streak of 17 wins in a row, which set a WCU softball record.

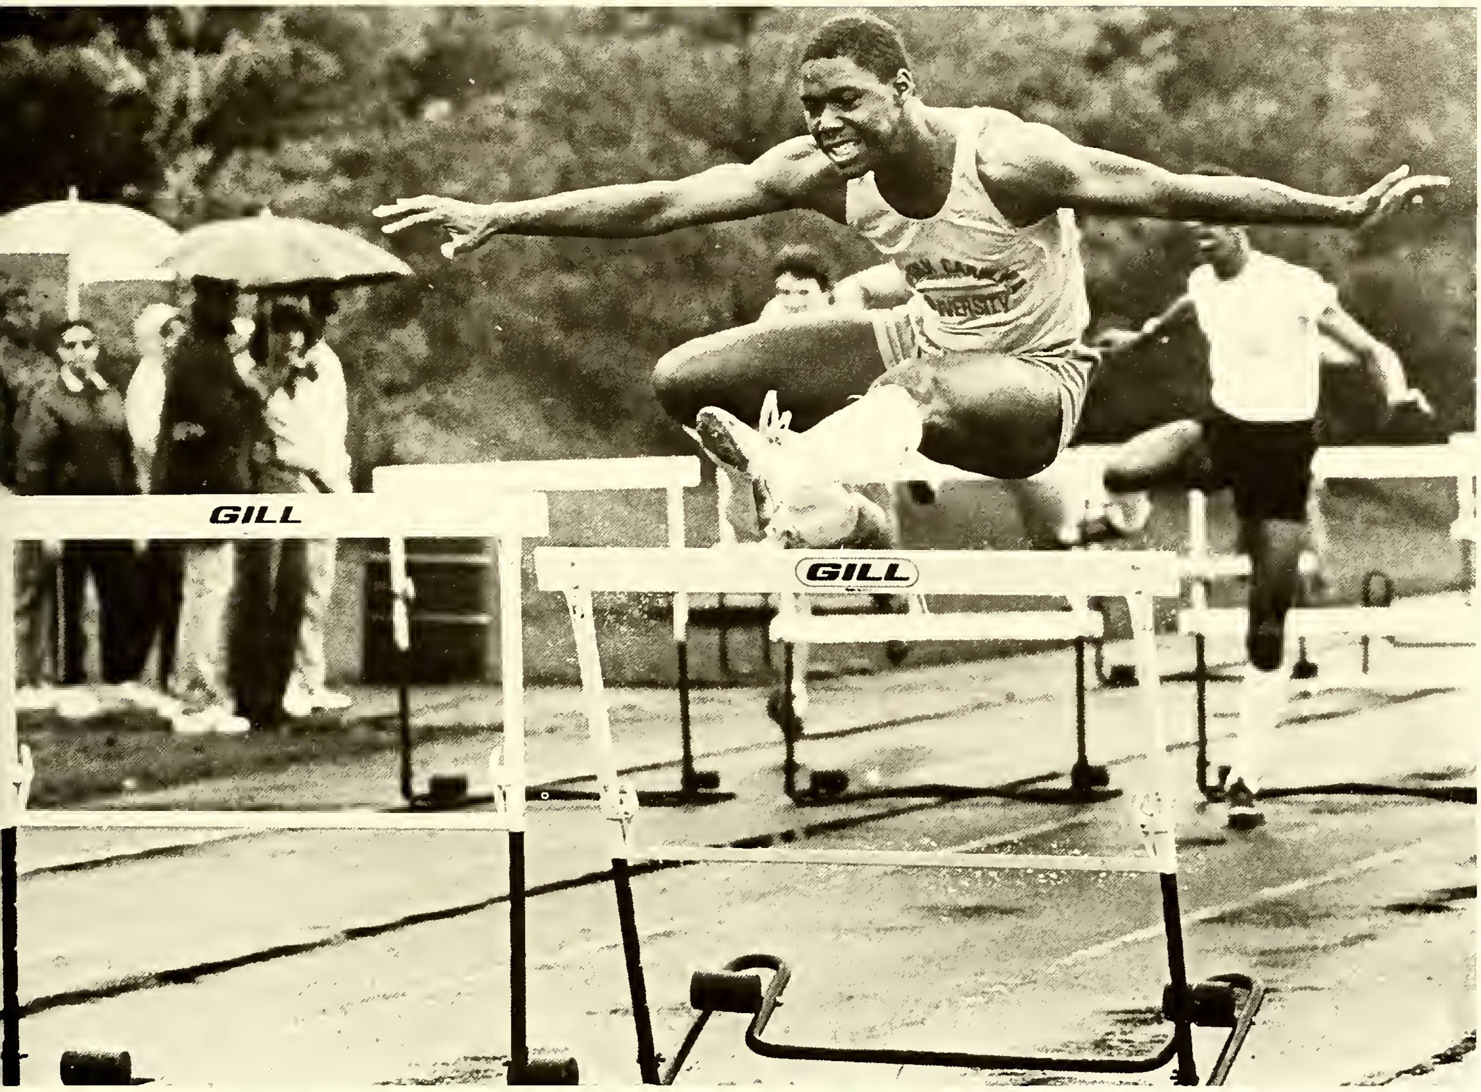
At the UNC Charlotte Invitational four Lady Cats were honored for their play. Judy Green was the Most Valuable Player and Amy Konides won the Golden Glove award. Green and Konides also joined Tracy Ownesby and Diane Wilkinson on the all-tournament team.

At the North Carolina State Invitational Green, Konides, Lori Toney, Robyn Keeler, and Sue Knight were all names to the all-tournament team.

Konides led all WCU hitters for the season with a healthy .490 average. She was followed by Owensby with .466, Keeler with .456, and Wilkinson with .428. Keeler, an All-American selection at pitcher as a sophomore, ended the season with a 23-6 record.

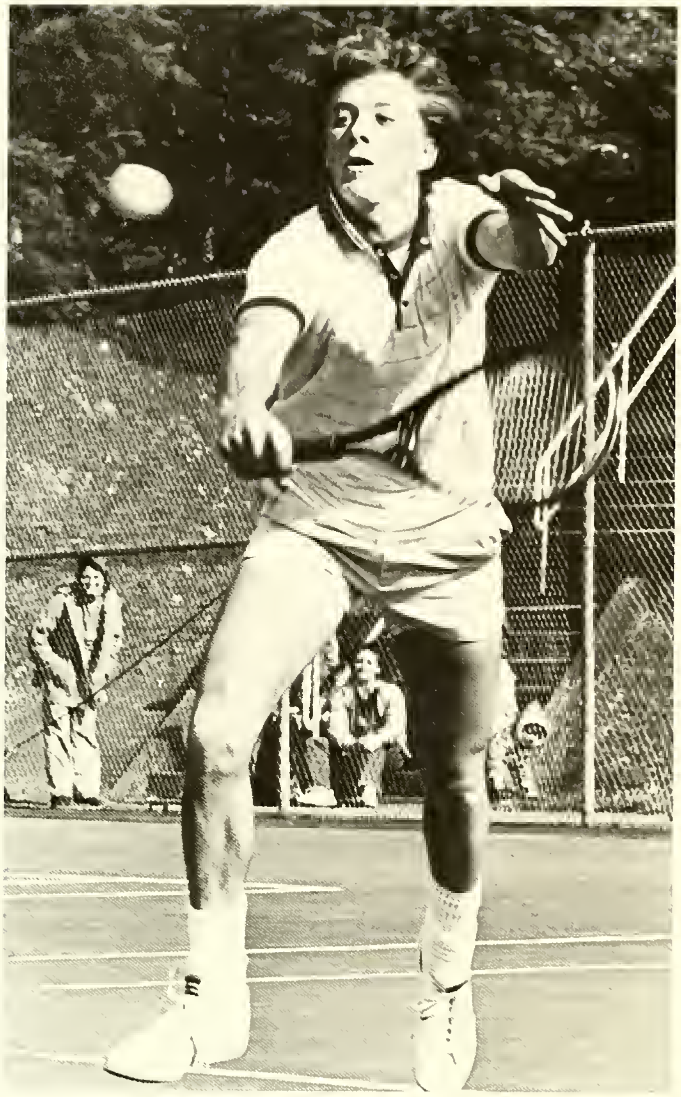


Track



Outstanding Records

Anthony James — Long Jump Conference Title
Earl Bates — 400 meter run Conference Championship
Earl Bates, James Ford, Eric Rasheed and Ricky Schell — School Record in 400 meter relay
Earl Bates, Larry Jackson, Miles Nicholson, and Anthony James — School record in 1600 meter relay



The future is bright for WCU's tennis fortunes as four of the Team's top six players are freshmen from the squad that finished with an outstanding 19-9 record.

Freshman Jeff Layman of Seminole, Florida finished with the best singles record as he posted a 25-1 mark with the majority of those victories coming in the No. 2 singles. He was unbeaten in Southern Conference matches.

Tad Grattan, a freshman out of St. Petersburg, Florida, played WCU's No. 1 singles all season and posted an impressive 23-5 record. His only loss was to Southern Conference singles champion Scott Zaccaria of UTC.

Fernando Kelly, a rookie from Santo Domingo, Dominican Republic, posted a 21-6 record playing both No. 3 and No. singles. Juan Blowes, a sophomore, was 17-9 playing a combination of No. 3 and No. 4 singles matches.

Grattun and Layman posted a 21-5 record as WCU's No. 1 doubles team and had the distinction of being the only Southern Conference doubles team to defeat UTC's No. 1 duo in two years.

The 19 wins posted by the 1984 Catamounts netters was eight more victories than any previous WCU team.

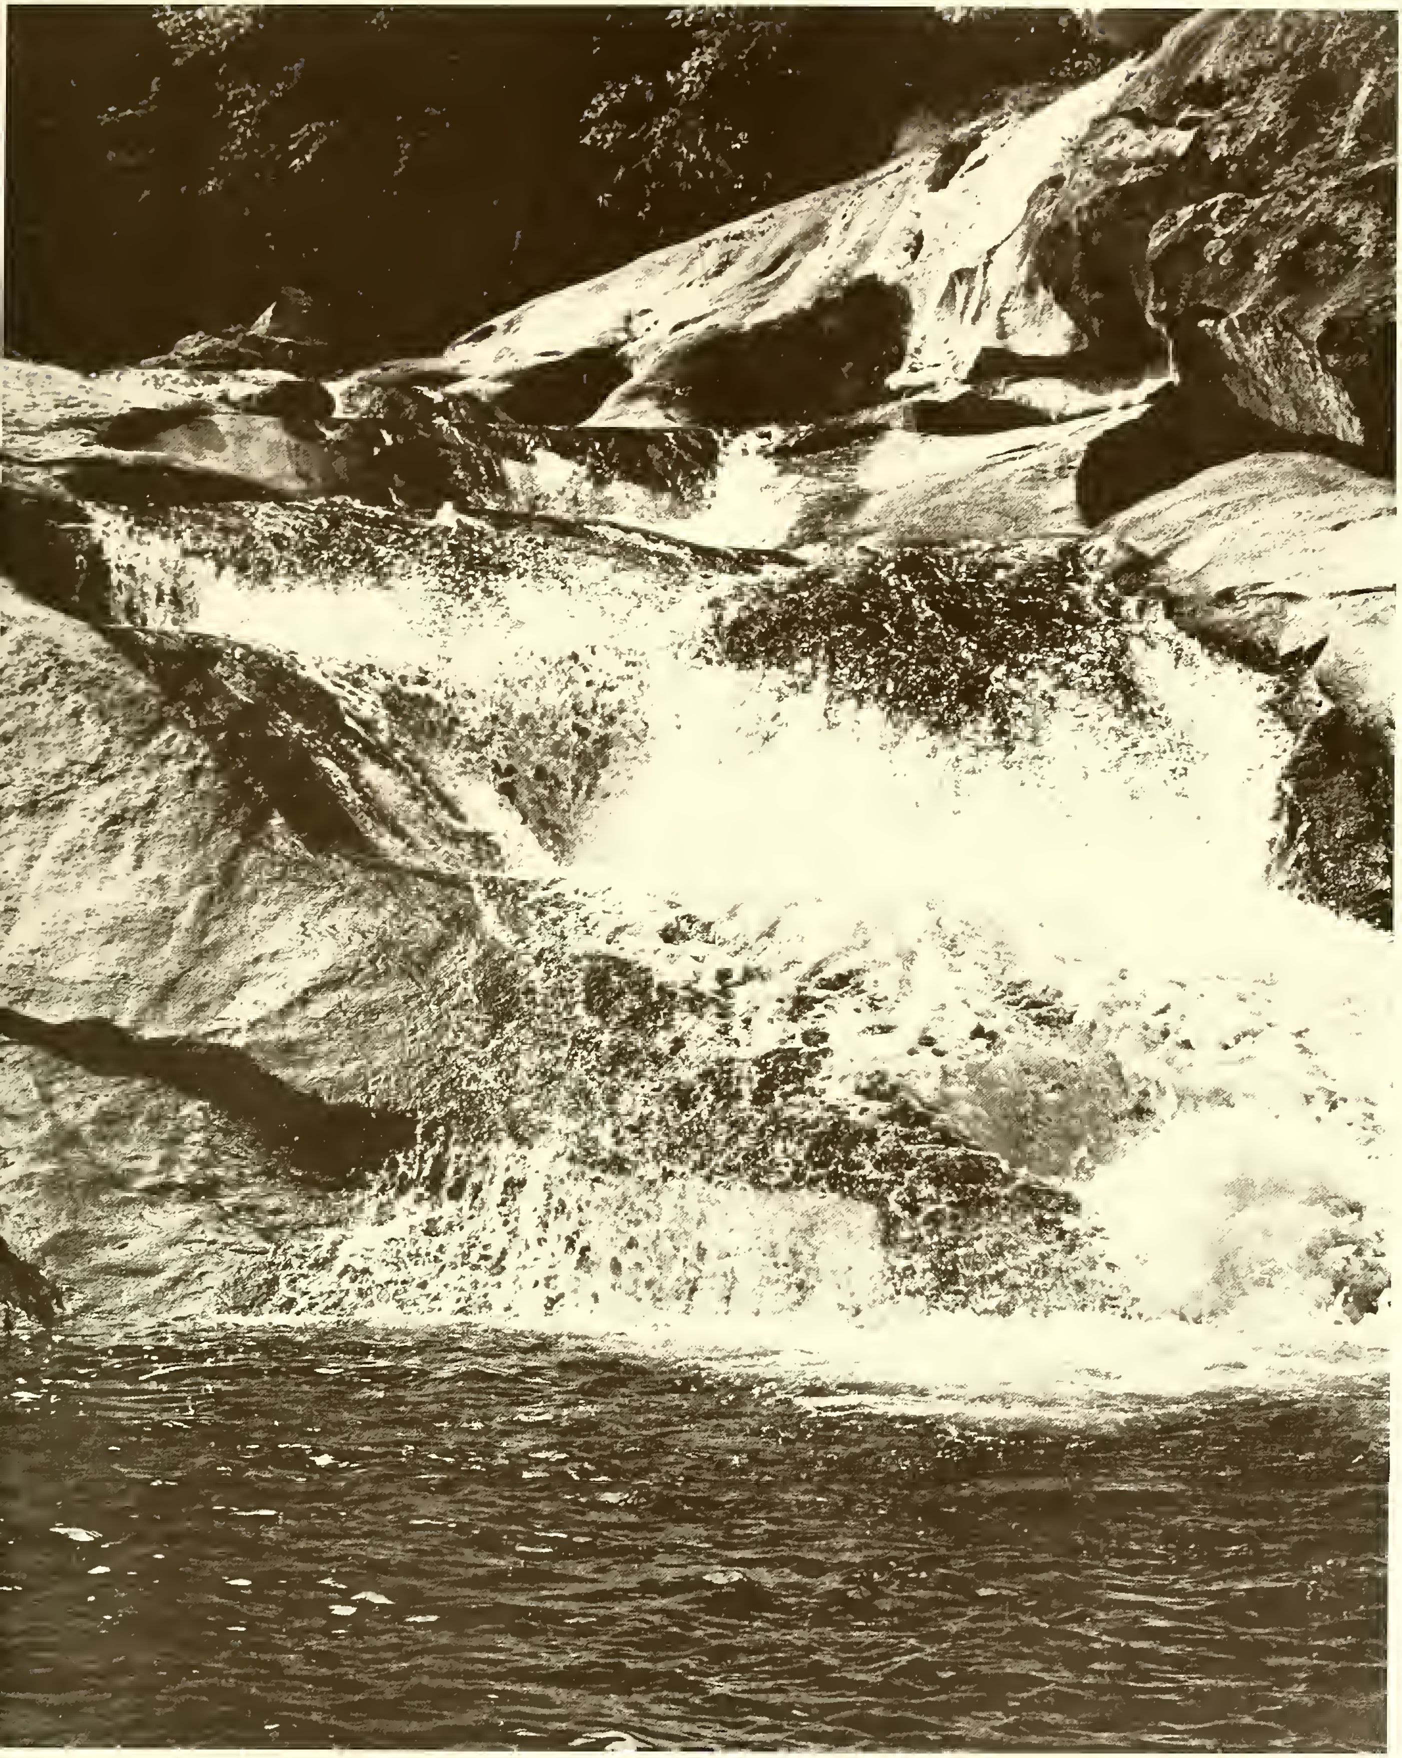
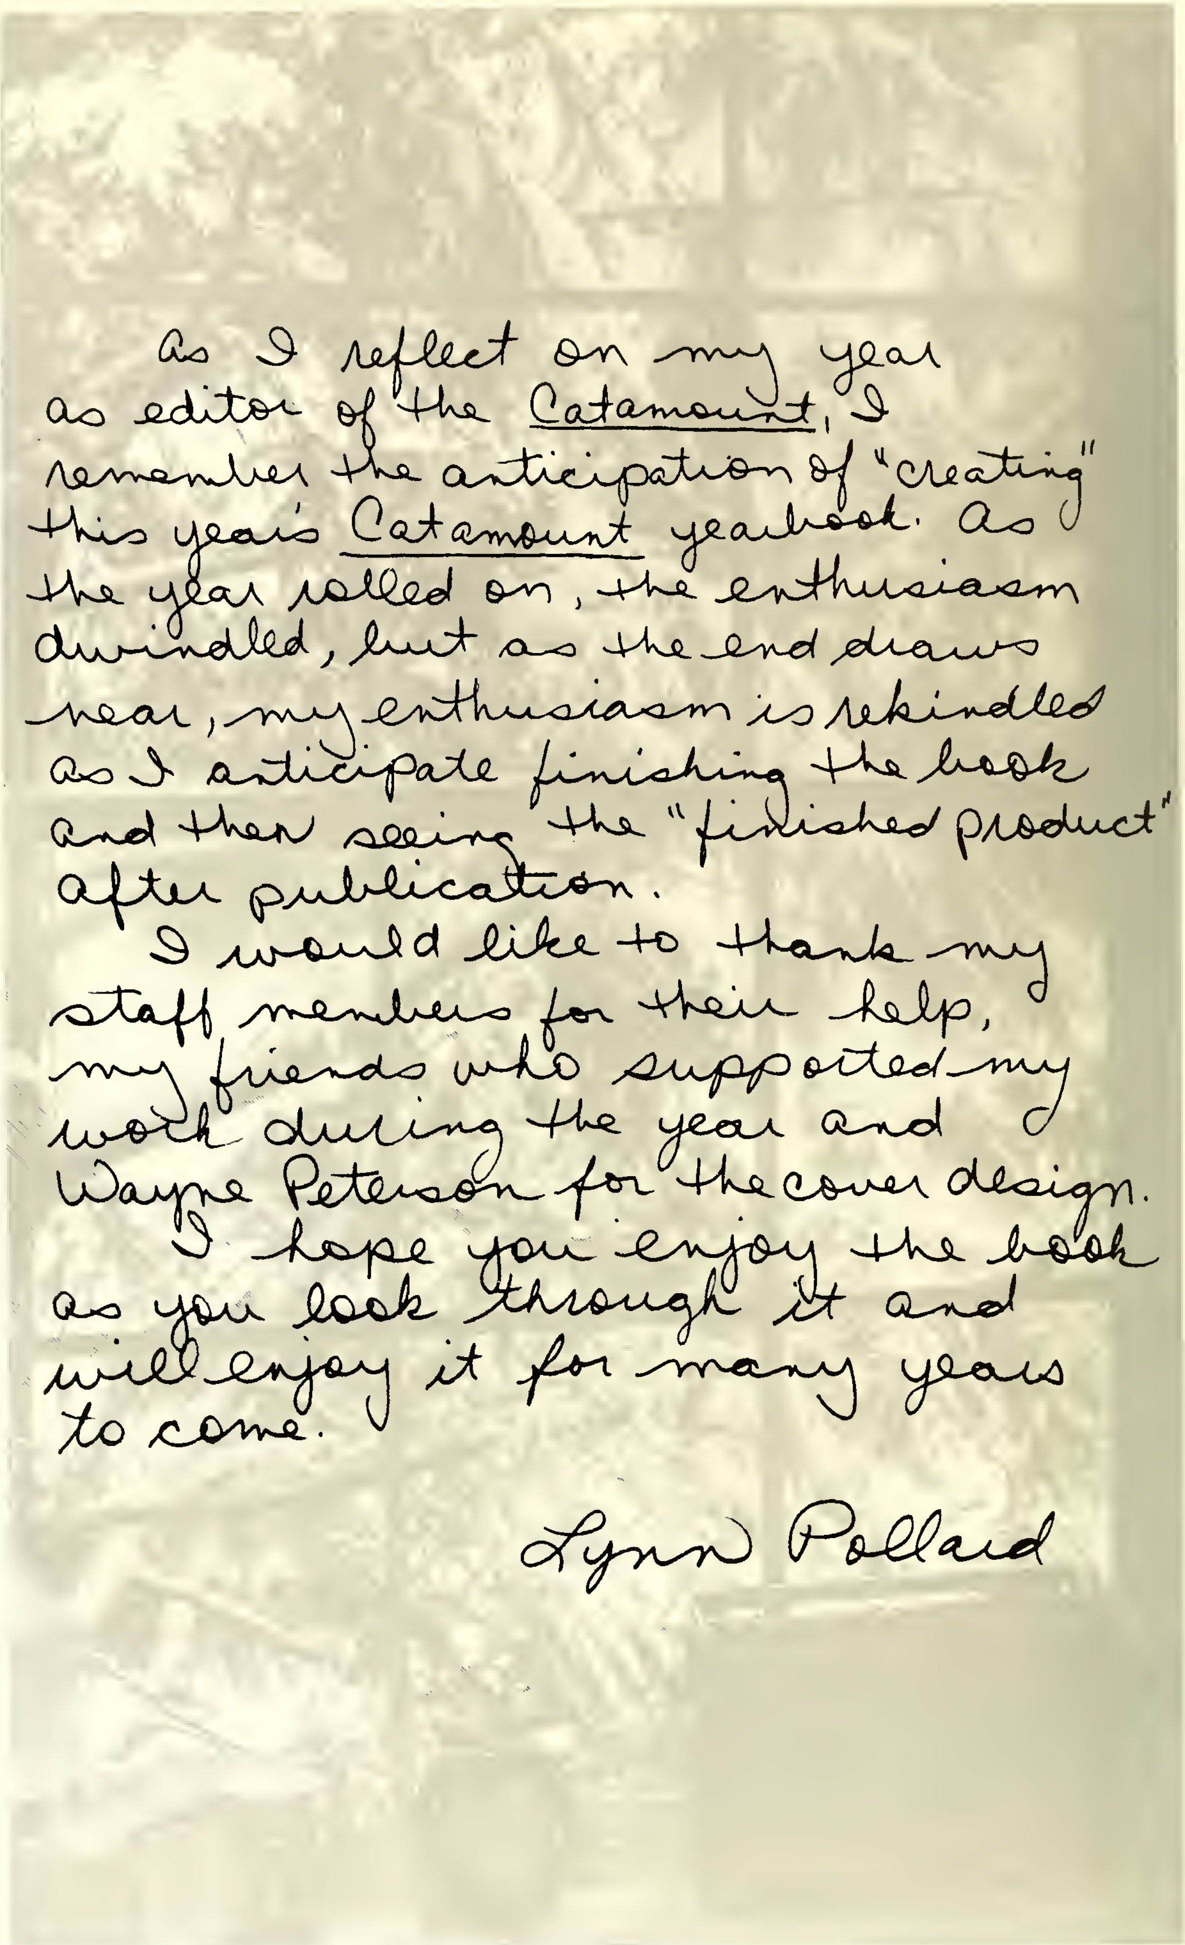
UNIVERSITY
FOUNDED 1889





As I reflect on my year as editor of the *Catamount*, I remember the anticipation of "creating" this year's *Catamount* yearbook. As the year rolled on, the enthusiasm dwindled, but as the end draws near, my enthusiasm is rekindled as I anticipate finishing the book and then seeing the "finished product" after publication.

I would like to thank my staff members for their help, my friends who supported my work during the year and Wayne Peterson for the cover design.

I hope you enjoy the book as you look through it and will enjoy it for many years to come.

Lynn Pollard
